

Chapter 2.10

Heresy Interlocks With Power

The Power of Propaganda

The power of Freemasonry has not just been political, judicial, and financial power, but also the power of propaganda. (The word is being used here with its original meaning and not in the disparaging sense of a body of distorted information.)

The influence of Masonic propaganda must be understood before the reader can really appreciate the role Masonry has played not only directly but also indirectly in the creation of Millennial religions (millennial religions include all types, including a. secular millennial religions of all types, including a. secular millennial religions such as Communism, b. pagan gnostic millennial religions such as the Nazi religion, the New Age movement, and their allies the New Thought churches, and c. Christian gnostic millennial religions such as the Jehovah's Witnesses, Mormons, Second Adventists, and certain Dispensationalists.)

The connections between Masonic propaganda and the creation of each of these groups is there for historians to see, if they choose. Examine the statements and history of the leaders of these movements and one will find that they studied the stream of masonic propaganda that has issued forth over several centuries. The Order (Skull and Bones—considered to be an American Branch of the Illuminati) have held many key political, and economic posts and have been able to manipulate what propaganda the public has had easy access to.

In other words Masonic thinkers have had help in the promotion of their thinging, not only by other Masons but by the Order, which is a power above them, but working with them. And this stream of Masonic thinking has had a snowball effect, in influencing others to act, and further promoting this stream of thought.

What characterizes the Masonic thought? First, it sees a return to a Golden Age, a Millennial hope. This is often connected with the reestablishment of some Messiah king/priest to rule. Reason and Gnosticism and evolution are promoted. Christianity is attacked or limited, and secularization is promoted. The subterfuge in much of this is amazing. For instance, the JW's under the guise of religion have helped ban religion from public places. The best understanding of what is happening is not to look at labels, but the process, what happened. For instance, whether a Communist calls his belief a religion or not, is not relevant if his belief is in essence a millennial religion, granted it is a religion without many of the normal religious trappings. Although a closer look reveals most of the trappings of religion are there, under a new cover.

The separation of church and state, the promotion of feminist rights including abortion, and the New Age religion have been promoted by the Masonic lodges, not just individual Masons.

This gives the reader a quick overview of the Masonic stream of thought. Two charts follow which should help the reader grasp the

extent to which Western Civilization has been shaped by this massive, sometimes a quiet undercurrent of Masonic thought. One chart is for Masonic authors in the 18th century, the other for the 19th century. English Freemasonry exerted a profound influence on the great reformers of the eighteenth century. Some examples are the Masons David Hume, Voltaire, Diderot, Montequieu, and Rousseau in France, and their disciples in the American colonies.

How powerful are Presidents?

It is true that a U.S. President has power, but let him overstep the path he is to follow, and those who have put him in power will tighten the screws, with bad press, or if necessary the final solution, assassination. That is what happened to John Kennedy and Abraham Lincoln. Those two men ticked off practically everyone in the System. The Jesuits, the Industrialists, the Masons, in Kennedy's case one can add to the list the CIA, the FBI, and the Mafia.¹

To avoid such drastic steps, key men are in government positions to insure that the President receives the slant to the news that will allow the President to see the right path. The Council on Foreign Relations regularly determined at secret meetings high level CIA policy. The CIA in turn is capable of presenting their secret briefings to the President to almost insure that he sees their slant to things.²

The foundations are one conduit of control. They create and implement government policies through their staff people which are salted throughout the U.S. government.³

That the New World Order must use the CIA, FBI, and the Foundations shows that it has to work secretly. As a cover for their secret invisible government, they run carefully screened handpicked men in expensive democratic elections. This allows the populace to continue believing what they want to believe. Most people want to believe they are superior to others, and our "democratic" system allows Americans to be proud. That the One-World-Power pays for these expensive charades, shows how important secrecy is. The success of Big Brother in 1984 was exactly the type of control that they have been successfully using—double speak, hate politics, divide and control, rewritten history, etc.

These same tactics are being used powerfully on the religious scene.

FORGOTTEN HISTORY

Years ago, this Author came upon several areas of religion that are examples of history being lost. This Author is very devoted to the Holy Bible and its age old wisdom. It was clear from the Scriptures in both the Old and the New Testament that taking Interest, any interest, was contrary to scripture. I discovered that interest taking had been forbidden by most Christians until the 19th century. The New Order has erased our memory of that issue, and for a good reason, that is one of their principle methods of robbery and control. (Because this is one of their primary weapons, and it is also a religious issue— chapter 3.02 will deal with just the issue of interest taking.)

FORMULA FOR POWER

The close interweaving of Gnostic thought into the Masonic stream is important in terms of understanding how power is created. The principle "knowledge is power" is skillfully used by Masonic religions. For instance, the WT May 1, 1922, p. 132 states C.T. Russell is the only source of knowledge about the divine plan of God. "Then to repudiate him and his work is equivalent to a repudiation of the Lord..." Joseph Smith, Jr. and the "Bhagwan Shree" Rajneesh, and so many others, by virtue of their claims to special knowledge have created an automatic power base. One has to come to them for knowledge.

KNOWLEDGE IS POWER, ESPECIALLY IF ONE CONTROLS WHO THE EXPERTS ARE
Likewise, the Order along with Masons in so many of the key positions have determined who our experts are in the various fields. Look who gets Rhodes Scholarships. Look who get prominent academic positions. Look who gets their books published. Their people are often

placed in positions when thousands of better candidates are overlooked. By influencing who we think our experts are, they automatically have created a power base. This is why some of the most prominent Christian leaders have gotten their positions. Some of these men, are poor theologians, are not the loyal-to-Christ deep thinkers Christianity needs; no, but they are the System's selected.

The system's experts have to toe the party line not just in Russia but in the U.S. too. Scientific American got rid of science writer Forrest Mims III when they found out he admitted he doesn't believe Darwin's theory of evolution.⁴

What does this stream of revolutionaries have to do with Christianity? Socialism (aka Communism) with its secular Millennial hope was really the real religion of the heads of the National Council of Churches. Over 100 NCC leaders have or have had affiliation with communist-fronts or with the Communist Party in the USA. The secular millennial hope of the NCC, the social gospel, is more deeply rooted in occult than it is in the scriptures. One example of a prominent NCC leader who is a member of the Communist Party is Harry F. Ward.

From the occult secret societies which looked to Hinduism and Eastern Mysticism the theory of evolution was brought to the West. Erasmus Darwin became a Mason in the famous Canongate Kilwinning Lodge No. 2 of Edinburgh, Scotland. He founded and others into the occult joined the Philosophical Society in 1784. This Author was surprised that the Masonic historian Denslow was quite aware and open that the Philosophical Society "was the fountainhead for the ideas developed by his [Erasmus Darwin] grandson, Charles."⁵ Co-discover of the evolutionary theory with Charles Darwin was Sir William Crookes of the Theosophical Society. Anyone familiar with the Theosophical Society knows they believe in Hinduism. The man who translated Darwin's works into German soon after they were written was another Freemason. The Hindu concept of Evolution diffused from Darwin into many other areas of the arts and sciences. Actually Darwin doesn't deserve all the credit or blame, because the idea was being diffused by the occult, and they were spreading before and after Charles Darwin, he only was a popular figure to raise up before the public.

Darwin never proved evolution, indeed the "historical" record does not scientifically prove the General Evolution Model but contradicts it. In Darwins time he could get away with his theory because the fossil record hadn't been well examined, but that is no longer the case.

Frederick W. Conner reveals how evolution entered into American poetry with men like Freemason Emerson on up to Robinson.⁶ Georg Roppen does another good study on poetry in general.⁷

Leo Henkins reveals how Darwinism entered into English novel writing with his book Darwinism in the English Novel.⁸

Selsam covers how Karl Marx drew on Darwinism.⁹

On and on Darwinism went permeating itself through all the arts and sciences. All the time being paraded as scientific, while its true occult origins were kept secret. (See the spin diagram to see its diffusion.)

POWER RELIGION

Education has been elevated by them to be the panacea for every ill. This attitude is deeply embedded now in the various churches. This secular gnosticism has created the followers and the leaders, and their system selects their men as leaders. If the public knew the details of how the Order, Illumined groups, especially the Masons, have conspired to elevate certain academic guru's for us to follow, they would realize how the pretended pyramid of knowledge has helped create a pyramid of power. As discussed in the chapter on Education, John Dewey, the main creator of modern education, was financed, instructed by, and promoted by the Order. Some in the Order even create their own universities, an example is the Univ. of Chicago started in 1890 with Rockefeller Funds. The Rockefellers started others too.

CHRIST REJECTED POWER RELIGION

There are quite a number of recent books that try to get the public to believe Christ believed in power religion and hidden knowledge. This is such a distorted view that in spite of all the propaganda out there, it should be easy for the sincere person to be shown in the scriptures that it is false.

Although Christ was intimate with 12 men, and then had his 70, and then the masses, his teachings were in contradiction to this gnostic idea of a hidden knowledge . This will be dealt with indepth later, suffice it to say, that Christ did not advocate using hidden knowledge for power, and he showed no desire to create any power base of goodness. This is why so many Rabbis have a hard time interpreting Christ correctly. They think he failed as a candidate for David's throne. They think in terms of power.

Secular and religious authorities have been set up who claim to have special knowledge. The men who have controlled the advancement and placement of others are a particular group of men, who are related in some fashion to each other.

The particular heads of these groups claiming special knowledge are then controlled by an elite group. For instance, the leaders of the Communist country of Russia have been selected by them. The leaders of the Mormon Latter-Day-Saints, and New Age groups receive instructions from them. The careers of thousands of our leaders like Henry Kissinger and Richard Nixen have been created and directed by them.

Various channels of control are in use. One council controls religion. Manly P. Hall sat on this council of 13 and was able to use UNESCO to channel communications from Britian.¹ British military intelligence is also used. When one sees the connections between the Masons and the FBI and CIA, and then the connections all of these have to the Mormons for instance, then one is able to see how a complex set of secret networks can transmit secretly through a host of routes. Another blatant example, are the connections between the directors of the intelligence cults of the CIA and the FBI and the One-World-Power and the Masons. For a particular route to be revealed, means only that another needs to be implemented. The intelligence cults of the FBI and CIA will be examined in detail later.

Examples of how the conspiracy directly provides power to their network of offspring will be the next feature of this chapter. We will examine how the same people who funded the Communists funded the Mormons. We will see how the channel of communication and orders for the power, UNESCO was created by them. We will examine how the prominent families that make up the Order, the power here in the U.S., happened to be the families that were prominent in the creation and control of the Jehovah's Witnesses. We will see how a well spring of Unitarian heresy was directly run by the Order. We will examine specific ways the Masons have promoted the New Age movement, and how the New Age Movement has been systematically planned, and is not an accident of history. All these are examples of what has been happening on a world-wide but secret level for several hundred years.

AN ARISTOCRACY

In dealing with the conspiracy of power it becomes evident that not only is networking and associations important, but also family lines and family ties. Authors, who are not even aware of the conspiracy of power, have written books exposing that America has an Aristocracy, but America's Aristocrats are very low key compared with Great Britian. Even today, the privileges that the British aristocracy still retain are easily seen by those who are not so

fortunate in birth. Everyone is aware that Britain has an aristocracy, but one has to try to convince Americans of theirs.

At the very top of power in the U.S. is a tight group of 20 to 30 families that intermarry and interact. Particular members of these families are selected for membership in a few secret groups such as the Skull and Bones Order, which has been a cell for the Power. The Skull and Bones Order, as the reader may now realize, is strongly suspected as one of the American chapter's of the Illuminati.

Those in the Skull and Bones Order if they are involved in religion tend toward the Unitarian Church, which presently is merged with the Universalist Church as the Unitarian-Universalist Church and is actively promoting the New Age Movement.

The Order works hand in glove with another group also called the Order—that is the Independent Order of B'nai B'rith. It is no surprise then to learn that the B'nai B'rith also has connections to not only Freemasonry but the Bavarian Illuminati.

Both the Order (S&B) and the B'nai B'rith work through the Masonic Lodges. In studying UNESCO it is apparent all three groups have power in UNESCO.

Chapter 2.11

Reviving the Mystery Religions

- You will learn the names of members of one of the most powerful occult ruling bodies in the world.
- You'll receive information to provoke you take serious the occult threat to the world.
- You will develop a better understanding for where witchcraft and satanism are operating with concealed identities.

Those who have read their Bibles have noticed that the One-World-Religion, the Great Harlot, by the time she has ascended to her political world domination will be "drunken with the blood of the martyrs of Jesus." Rv 17:6

Dave Hunt and Texe Marrs are two Christians who write books warning about the coming New Order. They have taken two opposite views of the situation. Sometimes they quote the same material and get two different views.

Dave Hunt's books forecast peace and prosperity and a rapture of the saints. He tells us that reports about the dangers from the CFR and the Trilateral Commission, communism (socialism), and New Age groups are overblown. It might be appropriate to quote the man himself,

"In contrast to the gloom-and-doom and frightening forecasts of the vast majority of Christians and non-Christians alike, we shall propose "A Contrary Scenario": a coming new age of unprecedented peace and prosperity just over the horizon!" -Peace, Prosperity and The Coming Holocaust, p. 18

As proof of this Dave Hunt quotes a number of experts, researches at Rand Corp.(p.11), Herman Kahn, head of the Hudson Institute (p.12), and Robert Muller, a man Hunt describes as "certainly one of the best informed men in the world" (p.12). By the way, all of these people are intimately connected to the New Order, and Muller is not just one of the best informed, but one of the most dangerous men in the world for Christians.

"Much of an alarmist nature has been rumored about a conspiracy among top political leaders in Washington to betray America's national interests...However, the Trilateralists and CFR people are invariably referred to with exaggerations...Does this hypnotic control extend to every nation on earth? That seems a bit too much to believe! If they indeed have the power to do so, one wonders why these internationalists haven't yet installed their puppet world ruler! Exaggerated reports like the above...could be dangerous."- Peace, Prosperity and The Coming Holocaust, pp. 47-48

"In fact, the rapture is the only conceivable event that could cause the entire world to unite in a new world government and a new world religion and to submit suddenly to the leadership of the Anti-christ as the world dictator." Global Peace, p.204

"Communism's Humpty Dumpty would seem to have fallen so far and shattered so badly that even the fabled KGB will not be able to put it back together again." Global Peace, p. 60

Texe Marrs on the other hand quotes the writings of New Agers such as Alice Bailey, Benjamin Creme, M.E. Haselhurst, Meishu Sama, David Spangler, Ruth Montgomery, Moira

Timms, Barry McWaters, G.I. Gurdjieff, and Maharishi Mahesh Yogi who apparently all believe that Christians practicing the old-time religion will not survive the shift to the New Age.¹ In a condensed summation, these New Age leaders declare that the earth will be purified and cleansed of those people not fit for the New Age. These people will be sent to another dimension, will pass into spirit, and be neutralized, and be washed away for their karmic debts. These euphemisms remind us of the words of New Age adept (and I refer to him thusly—because I have seen New Agers refer to him thusly and because I am familiar with his religion) Adolf Hitler, and how he planned to "cleanse" Europe. Alice Bailey describes that cleansing as a penalty to the Jewish people because of their bad karmic debt. These New Agers make it sound like Christians will be eliminated for their own good.

"...the plagues of Revelation are special packages of karma visited upon the obstinate that they might awaken to their wrong attitudes...animals that don't adapt become extinct. Remember? Survival today means understanding and responding to change within the context of the internal "revolution."²

MARRS, HUNT & THE BIBLE

Both Hunt and Marrs feel the Bible backs their view. This is why I have chosen not to quote scripture to inform you what the New World Order is doing. I believe in Scripture, and that the sincere moral spirit-led seeker will find the true interpretation as God's grace permits. But this book and its research stand on their own, without pulling some Bible text out of Ezekiel or Daniel.

OPEN YOUR EYES, HYPOCRITES

Jesus, (who obviously didn't take Dale Carnegie's Course on Human Relations), calls the people who came to hear him hypocrites, "When you see a cloud rising out of the west, immediately you say, 'A shower is coming'; and so it is. And when you see the south wind blow, you say, 'There will be hot weather'; and there is. "Hypocrites! You can discern the face of the earth, but how is it you do not discern this time?"

With all our technology, is our discernment any better?

Let me inform you of a "south wind"—a certain policeman has already informed us that he has seen the lists of people the US government—part of Bush's New World Order—plan to arrest. (See chapter 3.9 for more about this.)

Let me inform you of this "south wind"—a friend of mine received all the election statistics on a map months before the actual "election" of Bush and Dukakis. These figures were not projections, they were the planned results. (Hunt would have you believe that its ridiculous, alarmist, and dangerous to hear that CFR people in Washington, D.C. might conspire and have power. He says if they were so powerful they would put their own man in office. Mr. Hunt, for your information they have been placing their own men in even before this century—see Appendix, and have had the power to keep it from the general public.) A graduate research project at Florida State University on Who's Running America told the American people after intensive study that power in the United States of the media, various economic fields, politics, etc. is concentrated in an elite, and that the policy of that the Government carries out are decisions made outside of the elected government officials. There is nothing alarmist in their book which records their research finding, but it is just one more report of that "South Wind" that we should discern.

Let me also inform you that there are many leaders in this nation and the U.N. who we know are into witchcraft and the New Age.(This chapter will discuss that some more later.) Men of power are turning to the leaders of Satanic groups for power and money. The army has developed its own Psychic warriors- an actual military unit made up of demon empowered men, paid for by your tax-dollars.

Why would these people want to arrest God-fearing, peaceful, good-intentioned Christians? Is this simply because George Bush likes Alice Bailey's books? What do they have to fear from Christians?

The answer to these questions is the topic of this chapter. This answer will in part answer why the New Age movement is promoted by the One-World-Order.

Promote? Didn't the New Age movement just happen? No, it's been promoted by some very powerful people.(See chap. 3.3.)

For instance, rock music stars which are idolized by the youth of the world have been instrumental in bringing millions of young people in Eastern mysticism and the New Age Movement, and into Satanism. For instance, Warner Bros. and CBS (owned by Jews) have not ceased to put out some of rock's most objectionable material. Warner's produced Frank Zappa's "The Mothers," Prince's "Dirty Mind," Exile's "I Want To Kiss You All Over," and Alice Cooper's "I Love The Dead." CBS Records produced Tosh's "Legalize It," Pink Floyd's "The Wall," Dr. Hook's "Sloppy Seconds," Ted Nugent's "Scream Dream," and others. Atlantic Records located in Rockefeller Plaza, NY, Capital Records, and Electra/Asylum have also produced objectionable records. Teenagers are not foisting these evil records on themselves. It is not by accident that a record company cuts a certain record. Who is ultimately responsible for the Satanism and New Age Movement's promotion in rock music?

But it wasn't enough just to interest people in the New Age—they needed gurus from India to lead the young people off on their various paths. So the VHP (Vishva Hindu Parishad) was formed. It is a missionary council of Hindus, Buddhists, Jains, Sikhs, Lingayats, the Theosophical Society etc. that are organized and financed to import Hinduism et. al. into the Western World. In 1966, the VHP had their first missionary conference.³ Their VHP in house magazine is the Vishva Hinda Par. The Tibetan Dalai Lama was the president of their semi-secret VHP Conference in 1979.⁴ Sixty-thousand delegates and others participated.

Yes, the leader of the Hindu Missionary Organization, this Dalai Lama is the same Dalai Lama that is receiving awards and honors all over the world, not just by the secular world, but by Christendom's leadership. The Dalai Lama is a great man, but he thinks he is God, the reincarnation of Buddha. As a Christian, I am reminded of the scriptures where the elders worship the Creator, "You are worthy, O Lord, To receive glory and honor and power; For You created all things, And by Your will they exist and were created." Rv 4:9

If this seems off the track, it isn't—its actually involves the underlying answer to why Bible-believing Christians (and Bible-believing-Jews, and Koran following Moslems) are in conflict with the New Order.

Both Moses and Christ tried to give the common people the permission to have access to God, and their God was not just some imitation god either. The religious leaders were requiring initiations in India, Babylon, Greece and Egypt into their mystery religions. They supposedly were the guardians of exoteric mystery knowledge. As long as the people gave alligence to their power structure the common people generally were permitted to think they could be gods, and do whatever they wanted. In Hinduism, heresy is to teach that man is separate from God. This is directly opposite of the Christian concept of sin, where sin is defined as those imperfections

that separate us from our Creator such as transgressing the law of God. No matter how deceptive it's said, the truth is that Hinduism has no concept of sin, (sin being defined scripturally as anything separating us from the glory of God and transgressing the law.)

For example, the "Bhagwan Shree" Rajneesh, and his staff ruled over their Antelope commune with a strict power structure, but the common people were allowed freedom to act as they pleased. Amand Sheila, Rajneesh's trusted right hand woman, has been a devoted student of the satanist Hitler, and studied his methods.⁵

Moses and Jesus, both in blatant disregard for the religious hierarchies of their day, set out to free the Israelites from false authorities. The Egyptian Mystery religions kept the common people worshipping a pantheon of Gods, but the higher initiates in the secret societies were taught that there is but one God.⁶ Also each Christ tried to point out that sin can be a false taskmaster far worse than the Romans. He tried to teach the people to realize they have direct access to their Creator, without a hierarchy. Each man was a priest. But today's New Age "cosmic Christians" have stood Christ's teachings on their head. They promise freedom, but then offer the things Christ said enslave us. They promise each of us that we can be gods ourselves, but then give us "spiritual laws", and the Great White Brotherhood Hierarchy, and our own positive thinking (magic will power) to trust in.

For instance, to give an example, Elizabeth Clare Prophet has five rings of interested people in her movement, Pearl's Reader (5th), Keeper of the Flame (4th), Community Member (3rd), Temporary Staff (2nd), and Permanent Staff (top level), and finally her, Elizabeth Clare Prophet. E.C. Prophet (who for some reason always uses the last name of her first husband, Mark Prophet rather than her last three husbands), is a very strict authoritarian with her church. Although her members are promised godhood—only she is allowed to channel messages from the Great White Brotherhood. When a particular couple went onto permanent staff, they were repeatedly counselled to cease channeling.⁷

Masonic references to witchcraft abound. In Pike's *Morals and Dogma* page 733 he refers to the Kabbalah (which he calls philosophy but could best be called magic). In the next two paragraphs he talks glowingly of "the powers of the human will." That is what witchcraft is all about. 33° Mason C. W. Leadbeater in his book *The Hidden Life in Freemasonry* refers to the Senior Deacon in Masonic rituals as taking on the role of Lucifer. "The S.D. is the Lucifer, who bears the light to his fellow-men." (p. 125 plus others) And his pages 311-12 refer to gigantic "Angels" taking over 33° Masons. These are just off hand samples of many similar Masonic references. If one really understands the occult/Luciferian/witchcraft nature of Freemasonry, then it becomes clear why the power of the Lodge promotes the revival of the Mystery Religions. In contrast with Christ, the Masonic Lodge tries to keep its power to an exclusive clique.

According to ex-High Satanic Priestess Brown, "Demons have no loyalties. They will always go to the stronger person. Satan's entire kingdom runs on the principle of competition; just the opposite of God's kingdom where everyone serves each other."—*He Came To Set The Captives Free*, p.48

USING WITCHCRAFT TO FIGHT OPPONENTS OF "THE PLAN"

Alice A. Bailey in her book *A Treatise On White Magic or The Way of The Disciple* (NY: Lucis Publishing Co., 1951) p.346 teaches her New Age disciples how to fight "forces that are working against the Plan and hindering the work to be done....To counter them you employ the first method with the following additions and changes. You link yourself up either as an individual or forming one of a group with your own soul and with the Lodge of Masters, not

simply with your own Master, but with the Brotherhood for which you are working. Then when stillness has been achieved, you visualize those Masters of whom you know, and raising your vibration higher still, you connect up, if possible, with the Chohans, with the Christ and the Manu, according to the line, religious or political, with which you may be working, and along which the attack will come. You then pour through the linking chain, and through all the vehicles, a stream of violet light."

The New Order doesn't fear gnostic religions, they simply take them over if they didn't create it in the first place. They fear people who will unreservedly serve God and follow his Authority no matter what.

This may still not be clear. Let us give an example that hits home in many Christian denominations today, witchcraft.

A DIFFERENCE IN TERMINOLOGY

The following diagram shows a conflict between the historic Christian terminology and that of the occult in defining witchcraft.

Historically, Christianity has called A through D witches, while in the occult some would say only those at level D are witches.

HOW THE DIAGRAM IS DIVIDED

The diagram shows that witchcraft and magic can said to be performed either for "good", or evil. Witchcraft can also be done with physical implements, or secretly with some internal power. From those two divisions, four possibilities arise as is diagramed.

Some examples of what is meant by the four categories.

A (E-BNL)- Person with a ouiji board

B (E-HML)- Person sticking pins in a voodoo doll

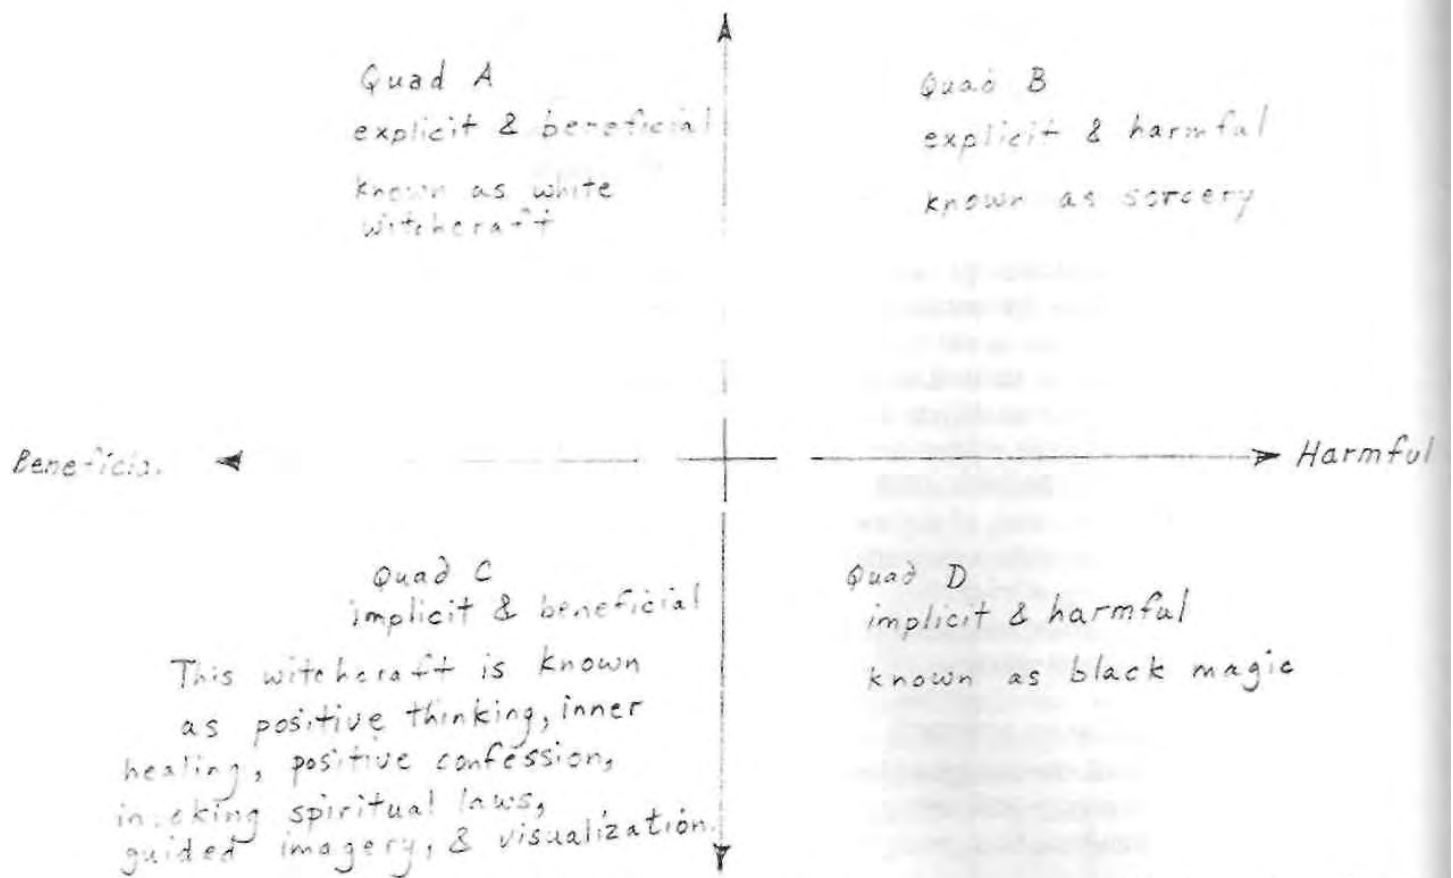

C (I-BNL)- This is a whole area that has entered into the Christian churches through people like Jimmy Carter's sister Ruth Carter Stapleton, who is said to be the top witch in North America. She calls it "inner healing." It has various names and variations. Basically, it is casting a good spell on someone, including oneself.

D (I-HML)- Casting a harmful spell on someone.

Historically, Christians have rejected all of these forms of Witchcraft. But today Block C has been introduced into many Christian churches. It is introduced through New Agers who pretend to be Christians, either as speakers or as members. (Yes, pretend is the proper description because some are actually infiltrating, knowing full well what they are doing.) Kurt Billings, whose mother was a high witch, was trained by the New Age to infiltrate churches posing as a born-again Christian. He told his story on Praise The Lord, Beaumont, TX.⁸ Men like Kurt who were taught how to infiltrate and subvert the Christian churches are trying to warn the Christians.

The new age also uses books such as How to Write Your Own Ticket With God to promote their witchcraft too.

The means or methods are Explicit (External, Physical)

The means or methods are Implicit (Internal, not seen)

EXAMPLES

QUAD

- A Person with a ouiji board
- B A person sticking pins in a Voodoo doll
- C Casting a good spell on someone incl self
- D Casting a harmful spell on someone.

St. Paul, Minnesota is one training center for witches to infiltrate the Christian churches posing as Christians.⁹ The Pentecostal and Charismatic movement has been infiltrated, including portions of the leadership.^{9a}

Isn't everyone free to talk about what they believe? Yes, but there is a right way and a wrong way. Let's give a true but an extreme example.

When the "Bhagwan Shree Rajneesh came to the U.S., his members dressed conservatively and joined a good size Christian church in California pretending to be Christians. When Rajneesh had a majority of his people as members, they voted the church to Rajneesh.¹⁰ We are talking about a church that others had worked hard to build and to pay for, but through deception was grabbed by Rajneesh. Likewise, if we practice that type of deception to capture a church spiritually is it any better? Buildings can be replaced. Individual's can't, each one is precious.

There is the possibility that those wanting to destroy Christianity will be converted. One man from England into spiritism who joined an Assembly of God church intending to lead its members into spiritism, ended up being converted to Christ.¹¹ This author is aware of a few others too who were Satanists that were sent to destroy churches and converted to serve their Creator.

A DIFFERENCE IN AUTHORITY

	contrast
Christian prayer	Witchcraft invoking/decreeing
Authority: God who is supernatural & involved.	Authority: A god(s) who is not involved, godlike power given to everyone.
Supplication of trust	W o r d s i n v o k e s p i r i t u a l l a w s o f spirit world.
Not to be done ritually, or in vain repetitions, by by spirit speaking through the heart.	Formulae and ritual, repetitions
called "faith, trust, hope"	called "scientific."

This is in part the reason the World Order is promoting the New Age movement. The New Age movement is subtly creating a different Authority than God Almighty. The Christian Creator can't be controled. He is a rival authority to those in power, and they can't tolerate a rival.

In order to mask their own dictatorship, the New World Order is permitting almost any type of carnal behavior to its duped slaves. H.G. Wells felt the New World Order needed to create a rulership, "a caste" as he calls it, that would be quasi-religious and would "pander to all your worst instincts."¹²

At the very top of the power structure of the New World Order are the Rothschilds. (See chapter 3.3 for a more indepth look into this dynasty.) Prominent members of this family in recent times have been Philippe (the leader), Edmund, Victor, Guy, and Nathaniel. Philippe is

a business partner with Queen Juliana.(See chapter 2.12 for a discussion of their role.) The upper levels of witches believe that the Rothschilds are lesser gods in bodies.¹³ The Rothschilds have been part of witchcraft and the Illuminati for generations. Their enormous godlike financial powers must indeed help convince them that they are gods.

Within the Satanic groups there is an elite society of witches called the The Sisters of Light. They are also called the Illuminati, but are not organizationally to be confused with the main group of Illuminati that are Druid witches. The Brotherhood that The Sisters of Light belong to is linked to the Druids though. Both the Sisters of Light Illuminati and the Druid Illuminati practice human sacrifice.¹⁴

Numerous other occult groups are named Illuminati.

The Brotherhood works with other occult groups such as the Freemasons. It has its own retreat centers, airplanes, etc. It uses churches for some of their ceremonies. Human sacrifices are being performed within Christian churches.¹⁵ These satanic groups sacrifice babies born to witches who have no birth certificates, members who want out, and people like hitchhikers that they pick up. Human sacrifices are generally done indoors. The Brotherhood has developed disposal of the bodies to a fine art.

Uniting the world under one world government is a goal of witchcraft.¹⁶

Another goal is to destroy Christianity. Many of the members of the satanic group The Brotherhood join Christian churches, which they then proceed to destroy over a period of time.¹⁷ Alice Bailey speaks about channeling Jesus in her book Externalization of the Hierarchy, p. 514, and Kurt Billings speaks now about his years within the Christian churches when he channelled a demon named "Jesus." Other ex-Witches have testified that when they infiltrated Christian churches they used all the Christian language including doing things in "Jesus" name.

A Council of 13 under their direction gives orders throughout the world to religious groups even "Christian" churches. Because this Council of 13 is so powerful and secretly controls so many of their puppets that run many of the different denominations, it is of vital interest to this book's subject that an examination be done of the people on this Council. Those on the council can either hold the view that true witches are only born to families of witches (indicated by T for Traditionalist) or that anyone can become a witch by training and practice (indicated by an M for Modernist).

THE COUNCIL OF 13 (Druid witches aka Illuminati) (As of Spring, 1978)(This information comes from basically one source, and without further verification should be treated the same as getting an opinion from a doctor—it's always best to have a second opinion.)

Gavin Frost- (M), Chairman of the council, he is working to unite witchcraft and Christianity. He feels that if witchcraft is properly presented people will choose witchcraft. So far his idea seems to be catching on, the churches with large numbers are adopting their programs and ideas. Author of Witches' Bible, co-author of Witchcraft the Way to Serenity and A Witch's Guide to Life. Greenville, N.C.

Dr. Raymond Buckland- (T), former chairman of the council. Was professor of anthropology at Columbia University. President of Witchcraft College in New Hampshire. Known by some as "Lorka". Author of Practical Candle-Burning Rituals, Witchcraft from the Inside, Sax-Wicca Bible The Complete Book of Saxon Witchcraft. Gerald Gardner, the chairman previous to him, selected him.

Mrs. Louise Brown- (M), She holds enormous power within the council. Her husband is Leland Brown who was in charge of the Warhawk computer in Virginia and with the CIA.

Isaac Bonnowitz- (M) This Jewish man is the brains of the council. His IQ is reported to have tested at 205. He drew up plans for the takeover of the world. He has been in charge of the destruction of the Christian churches physically and spiritually. It is reported that approval for contract killings have to come from him. He ghost wrote House Bill 41, the Genocide Act, the Martial Law Act. He was instrumental in creating Dee's Gun Control Center in Atlanta, GA. Former editor of the paper "Nostika" (The Word). Got a degree in Ceremonial Magic from Berkley, Ca. Was living in Berkley, CA.

Sybil Leek- (T) This woman is a very widely read occult author. She has written a long list of books including—Astrology and Love, Astrological Guide to the Presidential Candidates, Pictorial Encyclopedia of Astrology; Phrenology; Numerology; The Complete Art of Witchcraft, Diary of a Witch; Guide to Telepathy; Star Speak Your Body Language from the Stars, and Tree That Conquered the World, plus others. One can see what kind of books the people that want to enslave us are writing.

Tom Hall- (M) He is the leader of the Brotherhood Church of All Worlds. This denomination in witchcraft believes only in a god, no goddess. He has been influential with the Methodist Church. Editor of "The Green Egg". Was living in St. Louis.

Paul Hudson- (T) Personally handpicked by the Rothschilds and apprenticed by Dr. Buckland. Is a Druid witch leaning toward Satanism.

"Lady Rolwin"- (T) ex-wife of Dr. Buckland, now remarried. Was living in NYC.

"Alexander"- (T) NYC

Jesse Bell- (T) called "Lady Sheba". Owns with other occultists 90% of Merritt Island, FL where she lives. Author of the pseudo-witchcraft Bible Book of Shadows and Gromorie of Lady Sheba.

Louise Hubner- (T /poses as M) She conducted an occult rite in Hollywood Bowl in which she cast a sexual spell over all Los Angeles County. Either the spell worked or happened to be timed right- records show that rape and related activity did climb immediately after this spell. She wrote a national syndicated astrology column in the U.S. also wrote the book Power through Witchcraft. Lives in LA in Eagle Rock area.

Yvonne Collins- (T) named "Legena (which is Lucifer's Bride). She replaced John Todd on this Grand Druid Council. She attended Jerry Falwell's Thomas Road Baptist Church. She got upset with Falwell and was the one who prompted the Security and Exchange Commission investigation of that church. The investigation created a severe economic hardship for the church.

This group of 13 is said to be under direct control by the Rothschilds. (See chapter 3.3.) The Masonic Lodges facilitate the growth of witchcraft, satanism, and gnostic religions by providing a meeting place for them at their Masonic Temples.¹⁸

An example of Satanism and Masonry is the well known case of Charles Manson. Manson thought his "family" were the primitive church, the early Christians reincarnated.¹⁹ This is in line with the Masonic primitive movements that we studied in chapter 2.1. Manson believed his group would grow to 144,000.²⁰ We have seen how various religious groups started by Masons have emphasized the number 144,000. As the reader may recall in chapter 1.2, the OTO or Ordo Templi Orientis was the distillation and power of many Masonic and occult groups. The OTO's lodge in Los Angeles was The Process Church of the Final Judgement.²¹ One of its masonic members was the witch and religious leader Charles Manson.²² In his trial, he flashed the Masonic sign several times to his judge, apparently hoping to gain leniency.²³

HISTORICAL RELATIONSHIPS

Originally in the Garden of Eden Satan began what is called Gnosticism, that is that knowledge will save man.²⁴ Satan led Eve astray for his own perverse satisfaction in rebellion to his Creator.

From Gnosticism came the Mystery Religions. The Mystery Religions were called mysteries because they concealed their religious knowledge for only a select few. They were an excellent way for men to use religion for their own selfish ends.

From believing that knowledge saves, and then from searching for that light, men came to worship Lucifer who pretended to be that agent of enlightenment. Thus the mystery religions developed an exoteric teaching such as the worship of fire, the sun, sex, light, and snakes to conceal the esoteric teaching of Luciferian worship. The center of the mystery religions was Babylon and from the mystery religions come Hinduism, Egyptian Paganism, Greek mythology, Rabbinic Judaism, and Freemasonry. The names of items were changed and the legends were altered slightly but the various mysteries are like Hollywood scripts, they follow only a few basic patterns. For instance, in the book *Ancient Mystic Oriental Masonry* we see how the various mysteries are equated "...yet we readily recognize in Hiram Abif, one of the Grand Masters of Freemasons, the Osiris of the Egyptians, the Mithras of the Persians, the Bacchus of the Greeks, the Dionysius of the Fraternity of the Artificers, and the Atys of the Phrygians..."²⁵

A further development in the Mystery religions came from the Babylonian branch of religion headed by the Pharisees (now known as Talmudic Judaism). They perverted the faith and hope that men had in a coming redeemer and developed Millennialism. Millennialism split off in various directions. One Satanist/humanist branch is what is known as Communism (that is the system developed from Marxism). Within the churches Communism is called Liberation Theology. There is evidence that many of the historical big figure Communist leaders were not atheists, but Satanists. Karl Marx is just one prominent example. If so, then Communism is simply another mystery religion with humanism, atheism, and state worship as the exoteric for the masses, with Satanism as its esoteric teaching for the higher ups.

On the surface, Communism, Freemasonry and Satanism appear like three separate items. Those who have investigated the National Council of Churches are aware that it and its predecessor the FCC were Communist Fronts. Within this book you have learned that the NCC was operated by Masonry, and that Masonic Lodges started communism. The reader has read in chapter 1.2 about Satanists controlling Freemasonry. With all this in mind, it should be no surprise then that the National Council of Churches accepted the Church of Satan of Anton LaVey as one of its members.²⁶

Satanists in Israel work with the secret satanic group called The Brotherhood. Another powerful Satanic area is California. Yet, another is Louisiana. These are strongholds that are very

powerful that Satan has built up. As Satan and the demons are limited beings they must build up human strongholds.

In Belgium is an ornate Cathedral with an ornate balcony of gold and a 1,000 points of light within it. The is where the Queen Mother stays. It is also where the White Book which contains the history of the world written in blood on parchment is kept. A pregnant woman is sacrificed, and the infant in her womb rescued. Some of the infant's blood is then taken and used to write down the progress that has been made historically in the enslavement of the human race by a One-World government.^{26a}

At Inyokern, southern CA area near the China Lake Naval Weapons Center at a Naval hospital, is a doctor from Germany known Herr Doktor Green. This doctor is one of the better Satanic programmers. Many people around the country (many of them children) are flown in to him and are programmed by him. He has various techniques. One of the popular one is called Twinning. The subject is subjected to family movies in one eye and ceremonial and porn movies in the other. The rapid pictures are stressful to the eyes. Angled mirrors and intense lights are used in the process. The mind consciously begins concentrating on the family pictures and forces the terrible satanic pictures that are being flashed in the other eye into the subconscious. This process is done to two people in such a way as to subconsciously bond them to each other. The end result of the technique is created twins—magically paired sisters or brothers who when brought together later at some call back will function as a team. These teams do not know each other, but as the final countdown to the plan gets into full swing are being called back. Each twin is not given all their plans but only part so that they fit together when they come together. However, if one dies, the team still has one person to carry out their part of the plan for world domination.^{26a}

Henry Gruver, a man of God, relates how a powerful Satanist came to Christ in Omaha. In the insueing spiritual battle, this ex-Satanist showed him and others where human sacrifices were to be done in the storm sewers of Omaha on the solstice. Gruver watched the Lord God Almighty bring a storm which the Omaha papers called "a mystery storm" which mysteriously appeared over Omaha and filled up the sewers during the days around the solstice.²⁷ This is just one of many stories that could be told, showing the power of Jesus Christ over the Satanic realm. Satanists and witches have on numerous occasions sincerely repented and become follows of Jesus Christ. Another example is a man who recently was sent out to kill the minister who dared hold a public Christian rally on Halloween. The power of the joy and peace he saw on the faces of the Christians led him to renounce Satan and turn to Christ.²⁸ The positive energy, the spiritual power of Christ, that is present when Christians meet creates strongholds that are obstacles to the Power of the New World Order.

While there has been a serious increase of the Power of Satan and his mystery religions, this story will not seen in its full context unless we see also the mighty hand of God, working quietly to display His power over the principalities and powers. The establishment media will not tell you of such victories. If you want to get a balanced view of history, and not just learn about the activities of evil, you must begin listening to what God is doing around the world.
